STRINZ CREATIVE, INC
4769 HAUGE CIRCLE
EAGAN, MN 55122

Dear Mr. Strinz,

The Engdahl Family Foundation Board of Directors met last week. I am pleased to tell you that we have agreed to support **Museums Of Minnesota** with a grant of \$25,000.

As you know, our organization is interested in advancing cultural awareness across the state. In particular, we support efforts that focus on rural Minnesota.

By opening the doors to small museums in Minnesota, we believe your television programs and digital media products will instill pride in our communities, and encourage all of us to reach out to one another and embrace the qualities that make us uniquely Minnesotan.

The content of and public response to **Back On The Mississippi** was quite impressive. If you can bring that degree of interest and exposure to **Museums Of Minnesota**, it will undoubtedly help shape Minnesotans' perception of themselves for years to come.

We hope our contribution will inspire other organizations to join us in bringing Museums Of Minnesota to the citizens of our state, and beyond.

Please keep us informed of your progress.

Sincerely,

Brian Engdahl, Co-chair
